Serial No.	
7	Letter No. 1443/A. II. dt 26.1.38 from the Comptr. to Govt. stating that orders of Govt are awaited as to the exact amount to be authorised in connection with the apportionment of mileage cess and Service tax for the year 1936-37 to the two city municipalities.—
	According to Rule 3 of the Rules prescribed in G.O. No. P.3931-53/RT. 7-36-2 dt 18/24.12.1936, the mileage cess payable to the municipalities shall be in the proportion which the distance of roads maintained by the municipality bears to the distance of State Fund roads within the limits of the municipality which the Govt. may maintain or pay a contribution for. This does not arise in the case of the Bangalore City municipality, in respect of which no contribution is made by Govt. It is only in the case of the Mysore City municipality that a Subvention of Rs 7,000/- is being paid by Govt. for the maintenance of State Fund roads within the limits of the municipality. The exact distance of such roads is not however definitely known. The City Engr. has intimated that the distance is about 15 miles. The Presdt., Mysore City municipal Council has in his letter No. E.T. 2557 dt 11.5.37 asking for increased contribution from Govt. (the file is being worked up in the L.S.G.A. Branch) intimated that the distance of such roads is about 20 miles. Vide para 2 of G.O. No. T. 1312-33/RT. 7-36-6 dt 17.2.37 sanctioning the payment of mileage cess to

the two city municipalities for the last year ending 30.6.36, the Comptr. was requested to furnish the audited figs. in the light of the rules prescribed in this behalf. The audited figures have not been received so far. Now the Comptr. states that no action can be taken by his office until receipt of orders of Govt. determining the amount due in each case as per last sentence of Rule 3. According to Rule 7, the amount is to be adjusted quarterly after verification of figs. furnished by the Dist. Regrs. The figures will be furnished by the Dist^s long after the quarter and their verification requires some more time. If sanction of Govt. were to be required each quarter, there will be considerable delay in payment of the amount to the municipalities. The intention of the rule seems to be that the general principle according to which payment is to be made to each munty. should only be approved by Govt. and further payment be authorised by the Comptr. according to the Rules.

2. The question therefore reduces itself to this:— According to Rule 7, the Dist^s furnish the figs. to the Comptr. every month. ~~The Comptr. has got his audit staff at each of the two city municps.~~ After verifn of figs. he may authorise payment subject however to the deduction in the case of the Mysore City Munty. of the proportionate sers

for the distance of the State Trunk roads for which contribution is paid by Govt. It may perhaps be easy for the Audit staff at the resident Munsfs. to determine the exact distance of such roads. Payment of the cess for the half year ending 30-6-36 was specially sanctioned in Govt. O. dy 17-2-37 as it was not according to the presented rule.

for the information of the Comptroller to determine from audited figures what payment has been made quarterly - Govt Orders

3. As regards Service tax, the only Munsfs. concerned for the present is the Bangalore City Munsfs. The case of the Mysore City Munsfs. may perhaps be taken up for consideration after the claim is put forward by the Munsfs. In the case of the Bangalore City Munsfs. Deduction to be made under Rule 8. (ii) has been fixed in Govt. O. dy 17-2-37 and rule 9 is inoperative in this case as no contribution is made by Govt.

4. The Comptr. will if approved be intimated accordingly and requested to arrange for the payment of the amount to the two City Munsfs. regularly in future without any special sanction of Govt.

5. Submitted for orders.

No. G.T. 1126 dt. 15.3.39 forwd a statement showing the distance of State Fund & Munpl roads used by the bus services within the municipl limits. —

44 According to Rules 3 & 9 of the Rules prescribed in G.O. No. P. 3931-53/R.T. 7-36-2 dt. 21.12.36 (xxv) in connection with the apportionment of mileage cess and service tax between the Local Authorities and the Govt., the amount payable in the case of municipalities shall be in the proportion which the mileage of roads used by buses maintained by the municipal funds bears to the mileage of such roads in the limits of the munpy. maintained by Govt. or for which contribution is paid by Govt. The Chief Engr. has in his letter (xxvi) dt. 21.10.38 stated that the total distance of State Fund Roads lying in the limits of the Mysore City Munpy. for which contribution is paid by Govt. is 13 miles. But the moffusil services use, according to the Presdt's letter under reference (xxvii), 11 miles and city services 3 miles as against 5 and 9 miles respectively of the munpl roads. The apportionment has therefore to be made in the following proportions : —

	Government.		Mysore City Munpy.
1. mileage cess.	2	:	1
2. Service tax.	1	:	3

Sir,

I am directed to state that according to Rules 3 and 9 of the Rules for the apportionment of mileage cess and Service tax between the Govt. and the Local Bodies prescribed by Govt. in their order No. P.3931-53/RT. 7-36-2 dy 21.12.36 under section 32 (4) of the Road Traffic and Taxes Act, the apportionment of the said cess and tax has to the municipalities has to be in the proportion which the mileage of roads used by buses and maintained from the municipal funds bears to the mileage of such roads in the limits of the munpy. maintained by Govt. or for which contribution is paid by Govt. This proportion does not arise in the case of the Bangalore city munpy as it is reported that there are no ~~State~~ Road roads within its limits maintained by

Govt. or for which contribution is paid by Govt. The only munpy. concerned for the time being is that of Mysore city Which, it is ascertained from the Chief Engineer, is receiving a contribution from Govt. for the maintenance of 13 miles of State Hwy roads lying within the munpl. limits. Out of this, motorial bus service use 11·3 miles and the city Service 3·5 miles as against 5·7 and 9·4 miles respectively of the munpl. roads. The apportionment of the said cess & tax therefore to be made in the proportion as fixed noted in the margin. I am to request that the amount already paid to this munpy. in full may be adjusted according to the proportion now fixed by recovering from it therefrom the amount due to Govt.
